**CIRCLEVILLE DENTIST RECEIVES PRESTIGIOUS FELLOWSHIP FROM
ACADEMY OF GENERAL DENTISTRY**

New Orleans, Louisiana, (June 9, 2018) - The Academy of General Dentistry (AGD) is pleased to announce that Hans Guter, DDS, of Circleville, Ohio, received the prestigious Fellowship Award during the AGD's convocation ceremony, a commencement celebration that recognizes AGD member's commitment to excellence in dental education. Held at the AGD's scientific session on June 9, 2018 in New Orleans, L.A., Dr. Guter accepted this award along with more than 267 other recipients.

The Fellowship Award is presented to dentists looking to provide the highest quality of dental care by remaining current in their profession. In order to receive this award, Dr. Guter completed 500 hours of continuing dental education, passed a comprehensive written exam and fulfilled three years of continuing membership with the AGD. As a recipient of this award, Dr. Guter has joined an elite group of more than 16,839 members of the dental community who understand that great smiles and good oral health for their patients are the result of going above and beyond basic requirements. The Fellowship Award symbolizes excellence in the dental profession and a commitment to providing exceptional patient care.

"The AGD is proud to honor Dr. Guter for his commitment to continuing education and dedication to providing his patients with advanced and exceptional oral health care," says AGD President Manuel A. Cordero, DDS, CPH, MAGD, "Dr. Guter has gone above and beyond his duties, distinguishing himself professionally amongst his peers and exemplifying his allegiance to the dental community."

Dr. Guter graduated from The Ohio State College of Dentistry in 1989 and currently practices dentistry in Circleville, Ohio. In addition to the AGD, Dr. Guter is a member of the American Dental Association, Ohio Dental Association, American Academy of Cosmetic Dentistry, American Academy of Facial Esthetics, American Orthodontic Society, Academy of Contemporary Dentistry, Rehwinkle Dental Society and numerous study clubs.

According to the U.S. Bureau of Labor Statistics there are an estimated 110,400 General Dentists who are employed directly in the field of dentistry. A general dentist is the primary care provider for patients of all ages and is responsible for the diagnosis, treatment, management and overall coordination of services related to patients' oral health needs.
